**RE: Appointment of former Premier of BC Gordon Campbell, as Canada's new high commissioner to Britain by your office.**

**Honorable Prime Minister Stephan Harper.**

**I was reading that former premier of British Columbia Gordon Campbell to be appointed as Canada's new high commissioner to Britain by your office.**

**If this is true, I have lost all my respect for you Mister Prime Minister, including people involved for this appointment.**

**It looks like Mr. Gordon Campbell will be rewarded for pushing the HST in British Columbia, which was also the reason for his resignation.**

**Mr. Campbell lied to us during the last election regarding the HST, and was involved in many other scandals.**

**Being rewarded by the highest office of Canada it's a slap in the face for every honest Canadian.**

**What kind of signal will this send out to Canadians? Can we expect that our younger generation will live up to be honest citizens and will be willing to contribute positive and be constructive in our society?**

**Be dishonest mislead your constituents and your reward is guaranteed. Is that the country which we would like to live in? In my humble opinion, it's disgusting.**

**Reading the Canadian Criminal Code, Mr. Gordon Campbell's actions as premier are almost borderline of a criminal offence.**

**As a proud Canadian, by choice, I am very disappointed.**

**Your kind response would be most appreciated, including reasons for his appointment.**

**Thank you.**

**Sincerely,**

**Guenter A. Rieger**
